

ADAMS ACCESS REQUEST FORM

I, hereby request an access to the Anti-Doping Administration and Management System “ADAMS”, a web-based data management system, which offers various functionalities such as submitting whereabouts, TUE applications and consulting my testing status.

I understand that I will be provided with a username and access code as a result of this request. I authorise for the username and access code to be sent to me:

- by e-mail to the following e-mail address:
- by fax to the following fax number:
- by post to the following address:
- by other means [please state]:

[Tick as appropriate]

I understand that this username and password are intended for my sole use. I am advised that disclosing my username and password to third parties is entirely at my own risk. I accept that the IAAF will not be held liable for any unauthorized access to my personal information on ADAMS through my athlete’s access.

I understand that information entered into ADAMS through my athlete’s access will be deemed to be information entered directly by me or under my direct control.

Signed (in ink):
